FOREWORD

This catalogue presents the training programmes and projects scheduled for the Financial Year 2017-2018. The various training programmes and projects listed herein are in response to the priority needs of different States identified by PSSCIVE, Bhopal and as an answer to the emerging regional issues with implications for Vocational Education and Training system at large.

This year's programme offerings reflects the dynamism and responsiveness of the PSSCIVE's academic community in conducting client-focused training programmes in the direction of aggressively pursuing continual improvement and innovations in training system.

For this year, the demand-driven training programmes will cover the following areas:

(i) Administration and Management of VET, (ii) Entrepreneurship and Management in VET, (iii) Using ICT in VET, (iv) Non-Technical Skills for VET, (v) Industry-Institution Linkage, (vi) Research and Development in VET, (vii) VET for Sustainable Development and (viii) Enhancing Pedagogical Skills. At least twenty capacity-building programmes are expected to be conducted this financial year.

In addition, for spearheading the Vocationalisation of Secondary and Higher Secondary Education Scheme of MHRD, Government of India, PSSCIVE will be organising a series of development programmes for curriculum development, including preparing the student textbook, teacher guide, teacher training module, etc. for identified 100 Job roles in the potential job sectors.

We invite our focal Ministries, partners and stakeholders to support our shared vision and our objectives to further strengthen the Vocational Education and Training (VET) system and build the capacity of Vocational Teachers, mid-level VET practitioners, managers and administrators. The Institute fortifies its role in capacity building in the 21st Century. As PSSCIVE strongly advocates for "Quality Vocational Education and Training" across national borders, let us join hands and plan for realising the Mission of Skilling India through human resource development in the country.

Rajesh P. Khambayat, Ph.D.

*Joint Director,
PSSCIVE, Bhopal*

Academic Programmes

| PART-A | Training

Training Programmes (TPs) are core programmes of PSSCIVE which address the specific needs identified by the States/UTs. They are usually organized in collaboration with state vocational authorities at PSSCIVE or at identified suitable location in the country. PSSCIVE provides the academic service through its faculty members or consultants for the training materials development and programme implementation, while the host state/partner institution provides for the local coordination, facilities, as well as local logistics support. The concerned ministries and departments nominate participants for the TPs to these programmes.

The programme themes and topics are based on issues in VET sector, such as Emerging ICT in Vocational Education, Entrepreneurial Skills Development, Vocational Skills Development, Generic Skills Development, etc.

| PART- B | Development

Development Programmes (DPs) are organised to develop curricula, student textbook and teacher guide for identified job roles under the scheme of Vocationalisation of Secondary and Higher Secondary Education introduced by MHRD, Government of India. The DPs are usually organized involving field experts, leading academicians from vocational institutions/training centres, industries, and NGOs in the country. PSSCIVE provides the service of faculty members and consultants for developing curricula and training materials.

| PART- C | Research

The Institute promotes and conducts research to gain new knowledge and to bring about qualitative improvement in vocationalisation of secondary and higher secondary education.

| PART- D | Extension

Extension activities are organised by the Institute to share experiences, ideas, developments and disseminate information on various aspects of vocational education and training.

1. Extension Lecture Series: The Institute organises lectures of eminent educationists and industry representatives to learn from their experiences with reference to skill development.

2. Indian Journal of Vocational Education: The journal is published by the Institute bi-annually. Research papers, articles, case studies, book reviews related to vocational education and training are published in the journal.

3. Bulletin on Vocational Education: The quarterly bulletin on Vocational Education disseminates information on PSSCIVE activities related to vocationalisation of Secondary and Higher Secondary Education.
