The Centre coordinates the process of programme formulation, monitoring, evaluation and submitting periodic reports to NCERT. It works for the implementation of all the programmes approved by the Programme Advisory Committee (PAC). It also communicates with the Programme Monitoring Division of NCERT.

Curriculum Development and Evaluation Centre

The Centre coordinates the activities of development, evaluation and vetting of curricula and courseware under the National Skill Qualification Framework (NSQF).

Cells:

National Skill Qualification Framework Cell

The Cell coordinates various activities with MHRD, National Skill Development Corporation (NSDC), Sector Skill Councils (SSCs) and State/UTs for implementation of the Centrally Sponsored of Vocationalisation of Secondary and Higher Secondary Education under Rashtriya Madhyamik Shiksha Abhiyan (RMSA).

Diploma in Vocational Education and Training (DVET)

Diploma in Vocational Education and Training is one year duration programme which will be launched in January 2018. The programme will be offered in contact mode. It is primarily designed to develop professional competence of vocational teachers, practitioners in industries and vocational training providers.

ACADEMIC PROGRAMMES

Part A: RESEARCH

The Institute promotes and conducts research to gain new knowledge and to bring about qualitative improvement in vocationalisation of secondary and higher secondary education.

Part B: DEVELOPMENT

Development Programmes (DPs) are organised to develop curricula, student textbook and teacher guide for identified job roles under the scheme of Vocationalisation of Secondary and Higher Secondary Education introduced by MHRD, Government of India. The DPs are usually organized involving field experts, leading academicians from vocational institutions/training centres, industries, and NGOs in the country. PSSCIVE provides the service of faculty members and consultants for developing curricula and training materials.

Part C: TRAINING

Training Programmes (TPs) are core programmes of PSSCIVE which address the specific needs identified by the States/UTs. They are usually organized in collaboration with state vocational authorities at PSSCIVE or at identified suitable location in the country. PSSCIVE provides the academic service through its faculty members or consultants for the training materials development and programme implementation, while the host state/partner institution provides for the local coordination, facilities, as well as local logistics support. The concerned ministries and departments nominate participants for the TPs to these programmes.

The programme themes and topics are based on issues in VET sector, such as Emerging ICT in Vocational Education, Entrepreneurial Skills Development, Vocational Skills Development, Generic Skills Development, etc.

Part D: EXTENSION

Extension activities are organised by the Institute to share experiences, ideas, developments and disseminate information on various aspects of vocational education and training.

1. **Indian Journal of Vocational Education (IJVE):** The journal is published by the Institute bi-annually. Research papers, articles, case studies, book reviews related to vocational education and training are published in the journal.
2. **Bulletin on Vocational Education:** The quarterly bulletin on Vocational Education disseminates information on PSSCIVE activities related to vocationalisation of Secondary and Higher Secondary Education.
3. **Extension Lecture Series:** The Institute organises lectures of eminent educationists and industry representatives to learn from their experiences with reference to skill development.
