# Session Objectives

The students will be able to:

- Identify the various beauty and wellness sub-segments; and
- State the career paths for services in skin care, makeup and nail in the beauty industry.

# Introduction

The outward appearance of a person is the first thing that catches the eye of others. Therefore, being presentable at all times is of considerable importance. Here, comes the role of an Assistant Beauty Therapist, who carries out various beauty treatments on a person to improve her/his overall look, which includes dressing-up appropriately, putting the right make-up, skincare and hairstyle. There is a vast opportunity and scope in beauty and wellness sector. It offers various types of paths for beauty professionals to excel and grow.
