D.O. No. 1-2/2012-VE(Vol-II)(Pt)

Dated: 10-June-2022

Dear Ma'am/Sir,

This relates to Continuation/Discontinuation of Job Roles under Vocationalisation of School Education component of 'Samagra Shiksha'. In the 19th NSQC Meeting held on 26-May-2022 and another subsequent meeting held on 27-May-2022, the smooth implementation of NSQF aligned and approved qualifications in Schools under 'Samagra Shiksha' were discussed. Both the meetings were attended by representatives of NCVET, DoSEL, PSSCIVE (designated nodal agency for implementation of NSQF approved Vocational courses in School Ecosystem) and Sector Skill Councils.

2. On the basis of the discussions held in these meetings, PSSCIVE has shared an updated list of Job roles which includes the vocational courses that would be available to school students from this Academic Year 2022-23 and also the courses to be discontinued.

3. It may be noted that, as per the decision taken in the meeting held under the chairmanship of Chairman NCVET, it was decided that the two Job Roles namely Assistant Designer – Fashion, Home & Made ups and Counter Sales Executive, which are level 4 Job Roles will be introduced in schools at NSQF level 3.5 as the number of OJT hours/practical have to be reduced. After completion of these courses in schools at Level 3.5, the students may undergo the requisite OJT/upskilling to get NSQF Level 4 certificate in these courses.

4. Based on the updated list shared by PSSCIVE, please find enclosed a final list of Job Roles which will be available for school students under Vocational Education courses from this Academic Year i.e. 2022-23. The list also includes the courses which are to be discontinued and it may be ensured that no fresh admissions may be made to such vocational courses in the current academic session 2022-23.

With regards,

Yours sincerely,

(Santosh Kumar Yadav)
