**Circular**

This is to inform that under programme 21.16, the training programmes were to be organised after the development of the guidelines by the institute for each stage. As the Guidelines for the Middle Stage (Grades 6 to 8) would be finalized soon and the guidelines of NCFSE 2023 for secondary stages (Grades 9 to 10 and Grades 11 to 12) are yet to be finalized, it has been recommended by the committee constituted by the Joint Director that presently the training programme for teachers of Middle Stage (Grades 6 to 8) may be organised for all the States/UTs and instead of organising 06 programmes for six regions 12 programmes may be organised for a group of States/UTs covering all the States/ UTs to enhance the outreach of the guidelines of NCFSE 2023 developed for the Middle Stage (Grades 6 to 8). The matter has also been submitted to the Council for approval.

In view of above, all the faculty members are requested to organise the 12 programmes under 21.16 presently. The tentative dates of 12 programmes is attached herewith for reference. The 12 programmes would be organised with the approved budget of the programme and no additional budget would be required for them.

This issues with the approval of the competent authority.

Encl: Tentative dates of programmes.
