

Training of Teachers of Secondary Stage (Grades 11 & 12) on Domain Specific Skills in Transportation, Logistics and Warehousing Sector: 27 – 31 August 2024

The training programme for secondary stage teachers was held from 27 to 31 August 2024 at the PSS Central Institute of Vocational Education (PSSCIVE), Bhopal. The programme's objectives were to equip vocational teachers with essential skills in Transportation, Logistics, and Warehousing. Emphasizing the importance of continuous learning, the programme addressed the skill needs of teachers to train the students in domain-specific skills aligned with industry standards, integrate technology, and ensure safety compliance. It also focuses on enhancing employability and preparing teachers to deliver high-quality, industry-relevant education to students, thereby improving vocational education in schools. The training included hands-on experience, group activities, and industry visits. Fourteen vocational teachers/trainers participated from the Goa state.
